CRATER LAKE TROLLEY

Experience Crater Lake in a whole new way!

Historically designed trolley will provide a tour through Crater Lake National Park that will be unforgettable.

Crater Lake Park interpreter/guides will relay the information about Oregon's only National Park during your two hour tour around the Rim Drive.

Enjoy the unmatched beauty of the Park without having to worry about driving yourself and enjoy the safety and comfort of our trolley.

Special stops designed to let visitors get out and look at unique areas of the Park will provide an opportunity for guests to see and learn about the specific features of the Park.

These trolley are specifically designed to operate on compressed natural gas in order to keep Crater Lake National Park environment as pristine and green as possible.

The Trolleys are ada compliant for the guests that may need some additional assistance.
